### What happens to your application after it is submitted:

- Application is reviewed for conformance with the Brandon and Area Planning District Development Plan.
- The application, draft by-law and map are sent to Council for First Reading.
- Following First Reading, a date is set for the Public Hearing at Council where people may make a presentation for or against the proposal.
- The proposal is advertised in the Brandon Sun for two consecutive Saturdays indicating the date of the Public Hearing. A notice is sent to neighboring property owners within 100m (328') of the subject property indicating the proposed change. A notice is also posted on the property for 14 days prior to the Public Hearing.
- Following the Public Hearing, Council may do one of the following;
  - a) Grant 2<sup>nd</sup> Reading. (May require a Development Agreement between applicant and the Municipality/City). Once completed, 3<sup>rd</sup> Reading may be granted.
  - b) Reject the application.
- If there are objections when Council grants 2<sup>nd</sup> Reading, the objectors may file further objection with the Brandon and Area Planning District who will hold an Appeal Hearing.
- After Council's Hearing (and an Appeal Hearing by the Brandon and Area Planning District Board, if necessary) Council may then grant 3<sup>rd</sup> Reading to complete the By-law.
